Sir:

On June 27, 2007 I received a telephone call from Examiner Jones regarding the above-captioned patent application. During the telephone call Mr. Jones stated that his Response to Amendment dated May 18, 2007, in which he designated Applicants' April 6, 2007 Amendment and Response not fully responsive, has been withdrawn. He further stated that he will provide notification of the withdrawal. He stated that there is no action for Applicants' to take at this time on the application, and that he will proceed on Applicants' previously filed Amendment. To date we have not receive notification of the withdrawal and see no indication on PAIR.

Accordingly, we submit this correspondence to document our understanding of the June 27, 2007 telephone call, and to seek confirmation from the Patent Office that there are no outstanding actions to which we must respond.

Date: July 12, 2007

Respectfully submitted,
